DR. BLEDSOE'S ALTERATIVE COMPOUND

DR. BLEDSOE'S ALTERATIVE COMPOUND
The Remedy over all Remedies for the Diseases of the LiverDyspepsie, Enlargement and Inflamation of the Spicen
Heartburns, Colic Flatalence, Piles, Constripation, all
diseases of the Bowels, and such diseases as arise from a
disorderd state of the Stomach, Liver or Bowels, as
Scrofula and Sores of any kind. For General Debility,
from which Ladies frequently suffer, there is not its
equal in the whole Materia Medics.

THE inventor of this preparation was for three years s
completely prostrated from Dyspepsia and inactivity of
the Liver that he was frequently for weeks at a time unable to
raise himself from his bed. He sought aid from physicians
at home and in Europe, but in vain; his case was pronounced
hopeless by thousands, and it was by accident that he sue
ceeded in curing himself. Since he has been practicing medicine, his success in such cases has been unrivalled. He
has been aware of the incredulity of the public, and consequently said nothing through the press of his own case, quently said nothing through the press of his own case, until the character of the medicine was fully established by its success, as shown ly the certificates which have been

MEMPHIS, Tenn., April 17, 1 552.

I hereby certify that I have been acquainted with Dr. J N. Bledsoe and some years ago he was reduced I cel eve lower than I have ever seen any one that afterwards recover-ed, with what I supposed to be Dyspepsia and Liver affection, and after trying the prescriptions of many Physicians in this as well as other countries, without relief, he finally succeeded with a preparation of his own in being restored to good health.

M. GABBERT, M. D.

Physicians are requested to try this preparation. We feel satisfied it will sustain the character we give to it in this

HUNTSVILLE, January 12, 1852. DR. BLEDSOE:-I take the liberty and fell it to be my duty to recommend to all persons suffering from disease of the stomach and bowels, your Alterative Compound, as a very seperior medicine. My son, aged 15 years, had been under medical treatment about five years for dyspepsia and diarrhea—when having almost despaired of his recovery, I concluded to try your Alterative, two bottles of which, I believe, entirely cured him.

MICAJAH CAYCE. MICAJAH CAYCE.

HUNTSVILLE, Oct. 17, 1852. Dr. Bledson Some time has elapsed since I gave a certificate that my wife had been greatly benefited by your Alterative Compound. I now take pleasure in saving to the public, that my wife had for three or four years been subject to the worst kind of spells of cramp in the stomach from dyspepsia. I had tried of several whom I thought to be the best physicians in the place and a great many differen medicines, with momentary relief. Being persuaded to try your alterative compound, I did so—and I am happy to say that it has entirely cured her; and I would conscientiously recommend it to all persons suffering from diseases of the liver and dyspepsia.

HUNTSVILLE, Sept. 29, 1851. Dr. Bledson—Having seen the publication of your Alterative Compound, I think it my duty to say to the public, that I had been for years subject to spells of Cramp Cole, in its worst form; that I had tried almost every thing that is given by physicians, and never found any thing that would certainly relieve me, until I tried the above medicine, which has relieved me in every attack in less than an hour.

GLES COUNTY, Tenn., Dec. 23, 1851.

Dr. Bledsor:—I feel that I should fall short of my duty to you and to those who are afflicted, were I not to further recommend your Alterative Compound. It has entirely relieved me, so that I have not had cause to take anything in two months. I can eat anything I want with impunity, and believe my health is as good as it ever is at my advanced age. Should I ever suffer from dyspepsia again I shall be sure to call on you. I am very respectfully your friend.

ELIZABETH J. HARWOOD.

HUNTSVILLE, Ala., August 24, 1851.

This is to certify, that I had suffered for many years with Dyspensia and Diseases of the Liver. Physician after Physician had prescribed for me without my receiving any benefit, when I commenced the use of Dr. Bledsoe's Alterative Compound, which cured me soundly, and I recommend it because of the same happy effect upon others of my acquaint ance. JOSEPH CAROTHERS. HUNTSVILLE, Ala., March 3, 1852. Dn. Bledsor:—Sir: Judging from the certificates you have already advertised, it will be almost unnecessary for me to add further evidence in regard to the healing virtues of your Compound; but I must say, that for years I suffered a

great deal from Dyspepsia and enlargement of the spleen, and thought that I never would recover. I commenced taking your compound about nine weeks since, and have gained 25 or 30 pounds, and feel about as well as I ever did. Feb. 26, 1853. THE UNION OF TWO FOND HEARTS!

Haughtily Rejected.

One bright, glorious morn, as Jupiter indolently reclined in his palace on Olympus, the Goddess Diana entered, Her beauteous face wreathed in smiles more bewitching than the song of the "Cumacan Sioyl," and seating herself on the knee of the indulgent God, she becought him to grant her permission to lead a Life of perpetual Virginity!

Her compliant Sire assented to that unnatural request, and instead of the surken bones or wedlock, we find the charming Goddess choosing the inspirid life of a spotless Virgin. ing Goddess choosing the insipid life of a spotless Virgin, and in the masculine pleasures of the chase, imagining more transport than in the raptures of connubal bliss. "Her Heavenly Form too haughtily she Prized." And strangely enough preferred the exploit of catching the deer "with horns of Gold that fell at the foot of Mount Parrhasius, on the flowery banks of the dark public Anadrus" to a state of

"Domestic bappiness, the only bliss Of Paradise, that survived the fall." Such a choice, although supported by the prestige of the Goddess Diana, the public is fully assured, is entirely antipodal to the inclinations of The Truly Fortunate and Far-Famed Lottery Agents and Brokers,
